

- ON MOBILE:
- choose your topic from the drop-down menu to display the quiz
- ON LAPTOP:
- choose it from the containers
- UNREGISTERED vs SIGNED-IN USERS:
- there will be free content available to all
  - if you are signed in you can see everything
  - if not, you can see the titles of what's on offer, but not the games themselves -> add a prompt to sign in or register

Book a Call

Frames to be added: this basic layout with 'next' fields on mobile and tablet / open fields on laptop and above

Registration screen:

Name: --> Input field

Email:

Date of Birth:

Is this registration for you or someone else?

If someone else, is the person under 18?
